## Additional Instructions for mailing your parcel

- To find your nearest Hermes ParcelShop drop off location, click [here](#). Make sure to print and cut out the barcode and pre-paid returns mailing label. Securely pack your item(s) for drop off. Ensure that there are no other tracking labels attached to your package. If you are shipping any non-hazardous items, completely remove or cover any hazardous material markings. Packaging should be sealed before dropping off at the Hermes store, otherwise packaging charges may apply.
- Hermes will be unable to accept the item(s) if you do not have a printed Amazon return label secured to the outside of the package. Make sure the print quality of the label is of good quality so the barcode can be scanned. Please only use this Returns label to return items mentioned on this page.

## Return Mailing Label

Cut this label and affix to the outside of the return package
