Additional Instructions for mailing your parcel

- Hermes will collect your parcel on next business day (Mon-Fri: 8 AM – 8 PM, excluding Bank Holidays), as long as the collection is booked before 11 PM local time. Please note Hermes does not offer specific time slots and will not call prior to collection.
- Print your return label and securely pack your item(s) to be returned before collection. If the item is too large to be boxed (e.g. assembled furniture), please wrap the item in another form of packaging, such as plastic wrapping. More information [here](#). Hermes will be unable to collect the item(s) if you do not have a printed Amazon return label secured to the outside of the package. Make sure the print quality of the label is of good quality so the barcode can be scanned. Please only use this Returns label to return items mentioned on this page.
- Make sure an adult is present at the time of pickup. If you cannot be present for the collection, cancel your collection request and create another collection by going to [Your Orders](#) on your account.
